

SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: Uretek Pavement Leveling
Procurement File # D209-082-R2

Description: Uretek uses a deep injection patented process for pavement leveling (void filling, undersealing, lifting pavements and stabilizing the supporting base soils) that comes with a 2-year warranty against re-settlement. MoDOT will use this process as-needed during the contract period when areas are identified where this process may be advantageous in the judgement of the District Engineer or his designated representative. The vendor will submit individual proposals for each job. MoDOT will have the right to accept or reject any proposals received.

Contract Period: May 18, 2009 through May 17, 2010

Renewal Options: Up to three (3) one-year extensions, if agreed to by all parties.
